- Native will acquire professional growth through his intelligence with this combination of houses.
- 1st lord occupied along with 4th lord in 1st house makes native rich with all materialistic happiness and good friends too.
- Native will be healthy person with stable mindset.
- Native borns in Rich family and enjoys good Wealth and happiness with all sorts of comforts subject planetary position. If the planetary placement is not good then he results will be evil and family will be average to poor.

4TH HOUSE LORD IN 2ND HOUSE

- Occupation of 4th lord in 2nd house, being 11th from 4th also works as upachaya house. Hence, 4th lord in 2nd will increase the energy of the 2nd house which is connected to money or money matters, in all respects of comforts and luxury.
- 4th is education house and 2nd is primary education, so native will have very good education and he will use this education to earn money.
- 2nd is speech, native using his intelligence and good communication skills, impress others with his word power.
- 2nd house is wealth, and 4th is mother house, Native will get property from Mother basing on the planetary position in natives chart.
- Native will earn good money and spend it on the family, and their conveniences .

4TH HOUSE LORD IN 3RD HOUSE

- 1st house lord in 12th house which is energy, money absorbing house leads to ill health, death, or separation from mother if placement is not good, may create problems, hurdles in the educational life of the native.
- 3rd house gives short journeys and 4th lord placed here means native will keep away from the home most of the times because of these journeys for education, professions or other matters.
- Being 4th house pertaining to mental peace, lord placed in 3rd house which is 12th house native will have confusion or restless mind.
- Native will not have good stamina and getting happiness related to 4th house with lot of efforts only native can enjoy.
- 4th house is second from 3rd which is communication house and 2nd is speech
- so native may be good in communicating abilities.

4TH HOUSE LORD IN 4TH HOUSE

- 4th to 4th is 1st house being 1st lord in the 1st house occupation of lord of the house is very good in terms of giving full strength to the significations of the house.
- 4th house is the Kendra house and one of the four strong pillars of the chart. Native will have all the comfort and conveniences in his life in terms of education, richness, own vehicle, land, property, servants.
- Native will be very close affection towards mother.
- Natives mind will be stable and cheerful and kind hearted, religious, good nature.
- However, but he may not be able to cherish these facilities.

4TH HOUSE LORD IN 5TH HOUSE

- The Lord of 1st placed in 2nd considered very auspicious if planets are in good position.
- 4th house belongs to mind and 5th house is intelligence so native is naturally intelligent.
- 4th house is mother and 2nd is wealth so mother may be from a wealthy background and native may get property from his maternal side.
- 4th house is general education and 5th is higher education so native will be highly qualified and use his qualification for his success.
- 5th house belongs to the deeds of previous life, 4th house lord placed in 5th house native will be lucky in finances and will get success with little effort.
- This combination denotes native will strong religious person and spiritual in behavior. Native will use his knowledge for up lift ment of spiritual.

4TH HOUSE LORD IN 6TH HOUSE

- 1st lord in 6th house which is dushsthana, the native will not have peaceful life being 4th house is happiness. Also may have enemies creating trouble for him and giving fear in his mind which leads to restless mind as 6th house belong to fear and enemies. It may be reverse basing on planetary postion.
- 4th is mother house, its lord in the dushsthana which leads to mother's health or her life at risk provided house is aspected by benefic planet or karaka planet is strong then evil effects may reduce.
- Natives property may get legal issues. Native should be careful when driving vehicles.
- Native may also have trouble in his educational life.
- Native is advised to pursue his education in the areas of law or medical as 6th house belongs to legal and disease.
- Native should be careful in dealing things due to his immoral nature with the combinations of houses.

4TH HOUSE LORD IN 7TH HOUSE

- This is Logically 1st house lord in 1st house. This combination is that 4th lord is placed in the 4th house from 4th house as per rule of bhavat bhavam applies.
- 4th is mother house so mother will have good background, good education and good personality.
- 4th is mother land, and 7th gives foreign trip far away from land so native will be away from home town most of the times.
- 4th is property, vehicle house and its lord is placed in 7th house so it is possible that native will get the property or vehicle native will get the facility with marriage.
- Native will have good and loving wife.
- If lord is afflicted then it may cause accident from vehicle.
- 7th house is partnership house which is 10th house from 10th house (bhavat bhavam) so native will be involved in some partnership venture to earn profit (wealth).

4TH HOUSE LORD IN 8TH HOUSE

- 1st lord in 5th house. 4th is happiness house, 8th is accidents and suddenness which may create problems to the native like accidents, any suddenness may be death also which may give positive results if the placement of planets are good. Or may be for the natives mother will have the above results as 4th represents mother.
- 4th house is 8th house from 9th house, 9th is father house so this placement could cause death of father. 8th house
- Native may have loss of property or vehicle,
- 8th house belongs to black magic so it may give native fear from black magic.
- Native will not be very successful in his own efforts as 8th house placement will not let him take risk.
- 8th house is sex power so native may lose interest in the sex.
- On the positive side, 4th is education placed in 5th house which gives good education. Native may involve in some research study as 8th is research house.
- 4th and 8th house is moksha sthan so native may be religious and spiritual in his life, in other words hardships of life will make him religious. It also creates 5th-9th relationship, if 4th lord is well placed or aspected by benefic planets then native will have good happiness in his life, he will be religious, spiritual, and will involve in some research related activities.

4TH HOUSE LORD IN 9TH HOUSE

- 1st Lord in 6th house, 4th house is Kendra house, and 9th is very auspicious trine house so 4th house lord gets more power due to placement .
- Native will be lucky in finance, comforts, conveniences, luxuries etc.
- 4th is education, and 9th is higher education so native will be highly educated with which his earning will be through his education which may be in foreign land.
- 4th is property house and 9th is fortune, so native will be lucky in property matters. Since 9th house belongs to father so native will have paternal property.
- Native's father may earn through religious, and spiritual who is a good and respectable person.
- 4th is moksha house, and 9th is dharma house, native will be very religious and feel happy to do religious activities.
- 4th also belongs to mind, Native mind will be very religious and moral binding. As it is being 6th house it could also create confusion or frustration mentally.
- 4th is mother lord placed in 6th house the natives mother may have ill health.
- 4th and 9th house lords are sitting in 9th house then it will give rajyoga.

4TH HOUSE LORD IN 10TH HOUSE

- 1st lord in 7th house, 4th and 10th is seven from each other so 4th lord placed in 10th gives good professional life and native will earn good money through his profession.
- This placement will also give obstacles in his life and nothing will be easily achievable as 7th house also works as maraka house.
- 4th house is education 10th is profession. Native will be professional related education.
- This placement can give bad health to mother or relation with mother will not be good.
- As 4th house belongs to politics, native may have political career, or he could be a minister or leader.
- 4th house lord in 10th house also makes the native famous in the society as 10th house belongs to social status.

4TH HOUSE LORD IN 11TH HOUSE

- 1st lord in 8th house, 11th house gives desires and 4th house gives material pleasures native will be very inclined towards the materialistic pleasures.
- 4th house is education house so its lord placed in 11th his focus will be more in earnings than education.
- 4th house is friends and 11th house is friend circle, native will have big friends circle.
- 11th house also decides health, and 4th being 6th from 11 and 11 being 8th house from 4th indicates health problem or depression.
- 4th house belongs to property and vehicles so possibly native will earn through property or from vehicle,. 11th is elders may be his elders also.
- if planets are afflicted then it may also cause accidents as 11th being 8th.
- If 4th lord is placed in 11th house with 11th lord then it is considered very well and will fulfill the materialistic desires of native.

4TH HOUSE LORD IN 12TH HOUSE

- 1st lord in 8th house, It also creates 9th-5th house relationship which is good but 12th house is also one of the dusthanas, which may create health problems or even death of mother as it affects the significances of 4th house. if badly afflicted then it may also cause early death of mother,
- if well placed then mother will be fortunate, also need to consider the karaka of mother moon.
- 4th house is education and property house, 12th is long distance house, native may go to foreign land for education purpose and get settled there subject to planetary position.
- 12th house belongs to bed comforts native or his/her mother will enjoy sleeping long hours or sexual pleasure.
- 4th house is mind and 12th is stress so native may be restless in mind having continuous flow of thoughts which will also cause sleeping habits which may led to good philosopher, religious, spiritual if planets are good.
- 4th house is vehicle and property, 12th is obstacles native will have problems or loss related to same.
- However, 12th is also 9th from 4th so native will be fortunate in property matters.
- 4th is happiness from different walk of life and its lord placed in dusthana is not considered good for happiness related matters especially if both the house lords are sitting in the 12th house.
